GCRW Members Elected to Serve at State Convention

By Sharron Albertson

The following GCRW active and associate members and family from the Dallas area have been elected to serve as delegates and alternates at the Republican Party of Texas State Convention at the Henry B. Gonzalez Convention Center in San Antonio, June 14-16, 2018. This list may help to find fellow conservatives in the caucuses. As in previous years, alternates will probably be moved up to serve as delegates. Let us know if names have been left off the list. SD = Senate District

EDUCATING THE PUBLIC ABOUT PUBLIC EDUCATION

By: Jan Burke

Did you know **52% OF THE TEXAS STATE BUDGET** is paid to **PUBLIC EDUCATION! 52%!** Specifically - 32% to ISDs and 20% to public colleges. Yes - Public College is Public Education! So the Texas legislature gives MORE money to Public Education than any other need in the Texas. Why the constant demand for more money by the ISDs? Let's explore.

Local Debt. Texas had the 2nd largest Local Debt in the nation! The 3 states with the highest Local Debt are:

New York - #1

Texas - #2

California - #3

Texas has been the state with the 2nd largest Local Debt since the 2010s. Most people understand why New York and California are on the list but Texas? *What is Local Debt?*

Local Debt is **NOT Federal Debt** which currently **exceeds \$20 Trillion**. Local Debt is **NOT State Debt** which thankfully in **Texas is zero** – due to responsible Texas Senators and Representatives. Local Debt is **NOT Personal Debt** (e.g. credit card debt, home mortgage, car loans, etc.). Local Debt in Dallas County has six (6) elements (the same elements that comprise your residential property taxes):

City Debt;

County Debt;

School Debt [ISD Debt];

College Debt [Community College Debt];

Hospital Debt [Parkland Hospital Debt]; and

Special District Debt.

In 2010 **Republican Texas Comptroller Susan Combs** fought with Texas public entities to obtain information on 4 of the above 6 Local Debt elements: city, county, ISD and college. This information is updated and available at:

www.TexasTransparency.org.

ISD DEBT is the LARGEST PORTION of TEXAS LOCAL DEBT!!!!

ISD Debt is 34% of the entire Texas Local Debt per Texas Public Policy.

So let's review.

1) The Texas Legislature provides 52% of the Texas State Budget to Public Education; and

2) The largest portion of Texas Local Debt is **ISD DEBT!**

Let's look at how money already goes to an ISD from your property taxes.

Your property taxes increase by two (2) methods:

1) Increased property appraisal value; and

2) New debt for School / ISD occurs when you, the public, approves new ISD Bonds and/or new ISD Tax Ratification Elections ("TREs").

Increased Property Appraisal. When your property appraisal increases, the amount of your property taxes also increase. So, if your residential home appraisal was \$200,000, the property taxes you pay is based on the \$200,000 property appraisal. The property taxes you pay is distributed among the Local Debt elements identified above. When the local government agency determines your property appraisal has increased (e.g. \$200,000 to \$380,000), the increased property taxes resulted in you paying **MORE TAXES** based upon the **HIGHER property appraisal**. Those higher property taxes **AUTOMATICALLY** result in MORE MONEY being given to the Local Debt elements. So higher property appraisal RESULTS IN HIGHER TAX REVENUE BEING AUTOMATICALLY PAID TO YOUR ISD / SCHOOL. Note: *Texas residential property tax appraisals in the metroplex have been significantly increasing since*

2010 – 2011. Do you understand higher property taxes results in more tax revenue being AUTOMATICALLY given to the ISD / School?

The 2nd method our residential property tax increases is when Bonds or TREs (Tax Ratification Elections) are requested by the ISD. Each Bond and TRE **approved** by you, the public, increases the amount of School / ISD Debt and **automatically increases** your property taxes. So, when you, the public, approves any Bond or TRE, the public is approving MORE LOCAL DEBT FOR THE SCHOOL / ISD portion of your property taxes. More ISD / School Debt increases the Local Debt which results in HIGHER RESIDENTIAL PROPERTY TAXES.

ISD. A few facts to consider. The salary of any ISD Texas Superintendent is a probably a 6-figure sum. The annual salary for the Superintendent for the Carrollton-Farmers Branch is over \$250,000 a year. The annual salary for the Governor for State of Texas is \$150,000.

Do your research – the average salary for the administrative personnel in your ISD is usually higher than the average salary paid to your teachers in your ISD. Also, do you know if the student enrollment in your ISD has decreased in recent years? Do you know the number of administrative personnel compared to the number of teachers in your ISD? Also, did you know the largest voting block in a local election is the ISD employees (e.g. ISD administrative personnel, ISD teachers, ISD food services personnel, ISD maintenance personnel, school bus drivers, etc.)?

There are many more points to share about your ISD. The main issue is - start to understand how much money the ISD ALREADY RECEIVES TODAY! Find out how your ISD is spending all this money it already receives. Finally VOTE on these ISD Bonds / TREs which are DOWN THE BALLOT. NOT VOTING IS SIMPLY GIVING A VOTE TO APPROVE THE ISD BOND / TRE. For example, if 2 people vote for an ISD bond but no one votes to reject the bond – the ISD bond will be approved by 2 votes and your Local Debt will increase as well as your residential property taxes.
